

City of Albuquerque Office of the City Clerk

-- Direct Legislation by Voter Initiative Petition --

Pursuant to City Charter Article III, the undersigned, support this proposed measure to amend Albuquerque's 2006 Minimum Wage Ordinance by raising the minimum wage in the city from the current rate of \$7.50 to \$8.50 per hour starting in 2013, and to adjust the minimum wage each year after that to keep up with the rising cost of living. The measure would also require that starting in 2013, employers of tipped employees like waitresses and waiters be paid at least 45% of the minimum wage in cash wages from their employers, and that starting in 2014, tipped employees be paid at least 60% of the minimum wage in cash wages from their employers, with the rest of the minimum wage provided in either tips or cash wages. Currently tipped employees are allowed to be paid mostly with tips. The measure would continue the current ordinance's provision allowing employers that provide certain health care or child care benefits to pay \$1.00 less than the minimum wage. (The full text of this proposed ordinance is attached to the petition.) **Any person knowingly providing or causing to be provided any false information on a petition, forging a signature, or signing a petition when that person knows he or she is not a qualified elector of the City of Albuquerque may be convicted of a fourth degree felony.**
